

WORKING PRINCIPLE

When the machine is pushed, either forward or reverse, the side wheel activates the main brush and, in addition, a drive shaft connected to the vacuum-fan which enables the suction of dust during the cleaning job.

The sweeper is equipped with a cartridge filter, which is made of polyester, to retain small particles of dust.

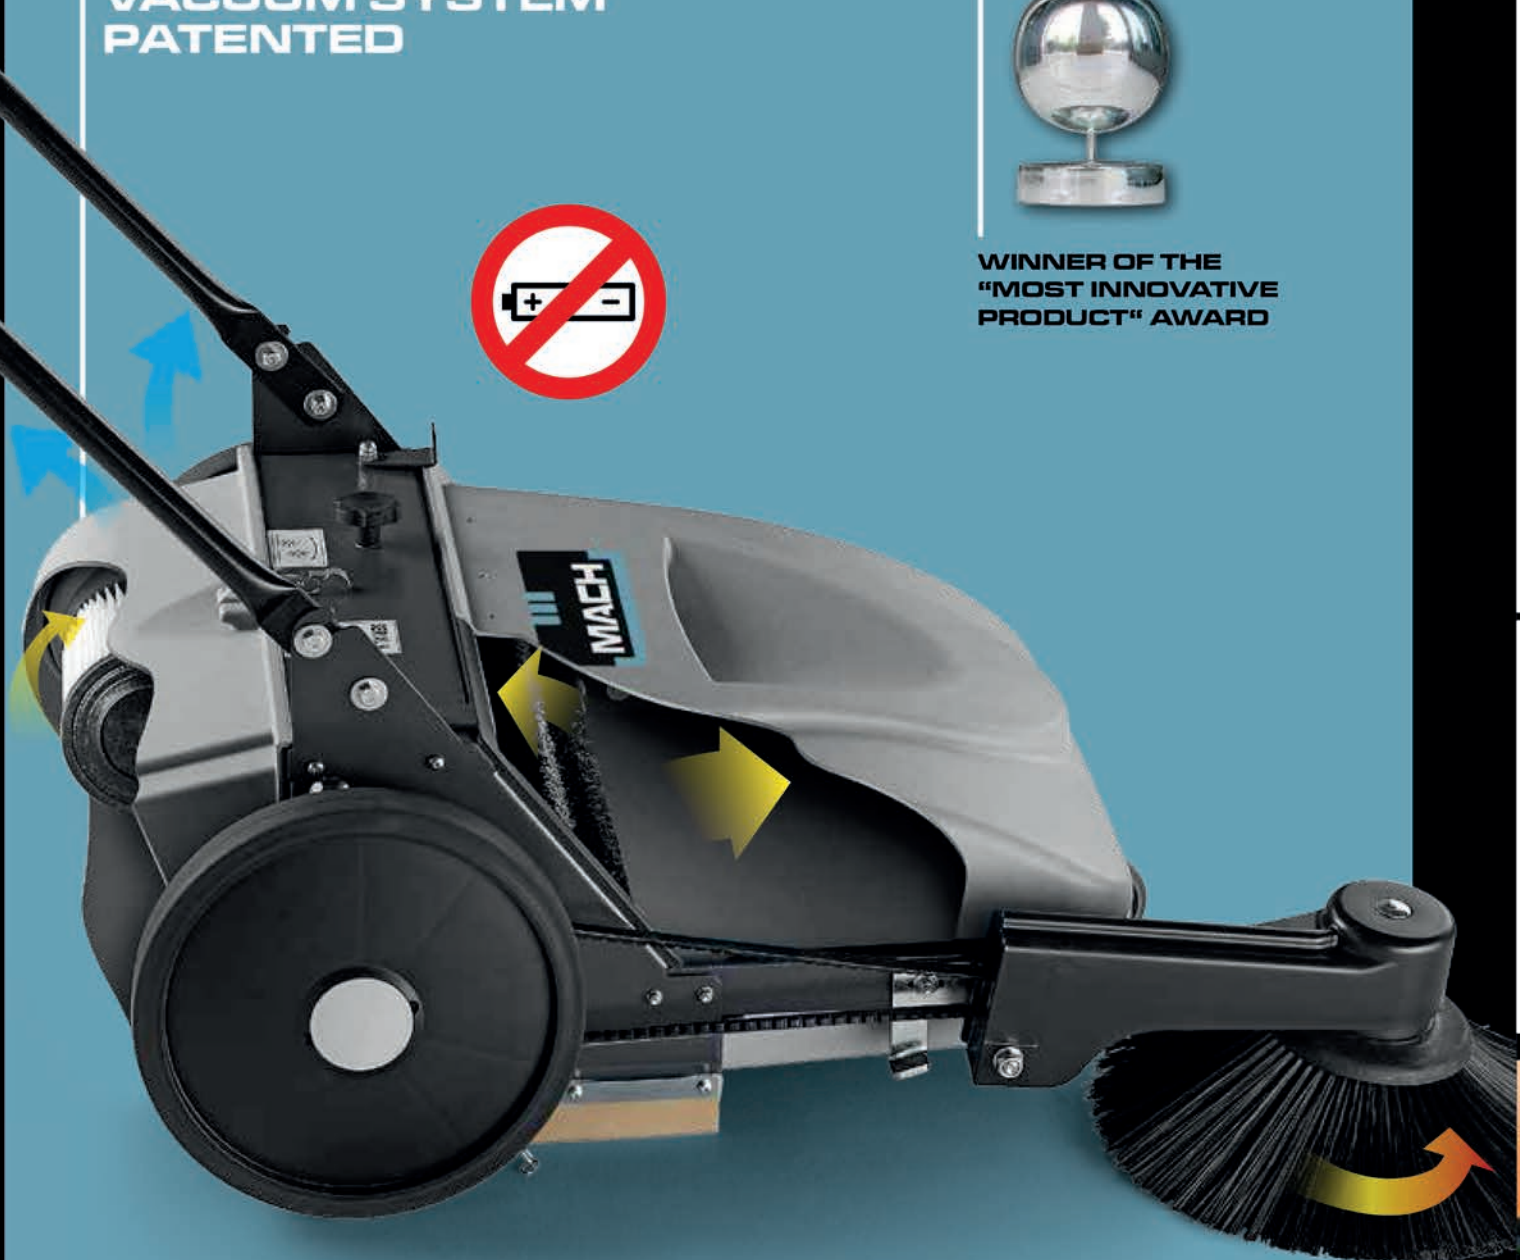

The filter is washable and can be easily removed for maintenance purpose or eventual replacement.

We have designed a manual sweeper integrated by a vacuum system completely free from batteries, engines or cables, to guarantee ease of use, value for money and respect for ecology.

MACH ME

The MACH ME is a manual sweeper with a total sweeping path of 730 mm.

It can sweep up to 2.190 m²/h, and is therefore more than 10 times faster than a man with a broom.

It combines PRODUCTIVITY with VALUE FOR MONEY, and can be employed anywhere there are small to medium floor areas to be kept dust-free.

MACH MEP

The MACH MEP is a very innovative manual sweeper, as it is equipped with a patented system that enables the complete control of dust, which would otherwise be raised when using any other traditional manual sweepers.

MACH MEP has an unlimited running time, it is completely silent and 100% ecological.

MACHME MACHMEP

VALUE ADDED FEATURES

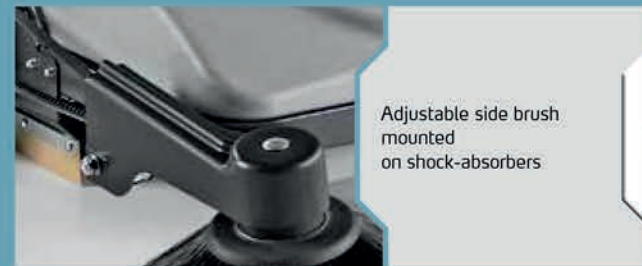

- 100% ECO-FRIENDLY
- 100% OPERATOR FRIENDLY, SUITABLE FOR A VARIETY OF APPLICATIONS
- COMPLETELY NOISELESS
- AGILE IN NARROW AREAS
- FAST AND ECONOMICAL
- THE ONLY MANUAL SWEEPER FEATURING A 100% CORDLESS, BATTERY FREE "SWEEP & VACUUM" SYSTEM
- WORKS JUST AS WELL OVER HARD OR SOFT FLOORS, INDOOR OR OUTDOOR.
- IDEAL FOR THE DUST FREE SWEEPING OF YARDS, PARKS, CONDOS, SPORTS CLUBS, PARKING LOTS, WAREHOUSES...

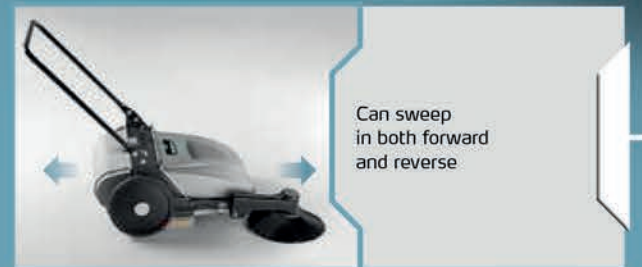

Adjustable handle

Strong metal chassis

Adjustable side brush mounted on shock-absorbers

Can sweep in both forward and reverse

THE ONLY MANUAL SWEEPER FEATURING A 100% CORDLESS, BATTERY FREE "SWEEP & VACUUM" SYSTEM

Adjustable pressure main brush

Polyester cartridge filter to retain dust, washable

Large rear wheels for better maneuverability. Self-grease bearings.

Large capacity anti-shock front & rear dirt containers, sweeper may collect either in fwd or rev speed.
